Childbirth and Parenting Class

Time: 8:00am

Our preparation for parenthood classes are sponsored by the Women's Center at Wythe County Community Hospital. We prefer the expectant mother to be at least 24 weeks gestation. Each event includes an hour for lunch. One support person is welcome to attend the class with the Mommy to be!

ACS Relay for Life

Time: 3:00pm

Every one of us has been touched by cancer in some way. Friends, relatives, caregivers, and survivors we all use our special passion to help the American Cancer Society save lives, celebrate lives, and lead the fight for a world without cancer. And there's no better time than now to start! Join our Team or create you own team. Come out and join us for the fight against cancer.
